

TEACHING ROOMS

London WC1

PROJECT BRIEF

- Specify, test and supply new teaching room seating and tables.
- Replace 4000 chairs and 1000 tables in an 8 week period
- Complete works seamlessly during term time, out of hours
- Complete works over 73 rooms in 46 different buildings
- Simultaneously remove existing redundant items for recycling or re-use
- Provide full certification for recycling
- Ensure Ska compliance for furniture supplied

KEY OUTCOMES

- ✓ 5826 items collected for materials recycling – zero to landfill
- ✓ Certification presented for improved environmental performance
- ✓ 114 landfill tonnes saved (114,095kg)
- ✓ 202 carbon tones saved (202,532kg co2e)
- ✓ Low scope 3 emissions for installation
- ✓ All items supplied eligible for Ska credits
- ✓ 100% new items recyclable at end of life and 100% packaging recycled after works completed – zero waste.

**ZERO
WASTE**
